Captain Miller had a very bad day yesterday. There is no improvement for the better.

The Ladies' Committee of the Y. M. C. A. will meet at the rooms at 3 o'clock this afternoon.

Mr. Walter G. Green has been promoted to be an Assistant Superintendent under Colonel Rosenham.

Squire M. D. Farrow remains in the same critical condition, with scarcely a hope for any improvement.

Mrs. William H. Cox and Miss Roberta Cox expect to sail for home Friday, after an extensive European tour.

Among the approaching June weddings will be that of Mr. Robert J. Bisset of this city and Miss Elizabeth Best, one of Mason's most accomplished daughters.

In Louisville Saturday night Union printers made an attack on E. G. King, employed by F. C. Nunemacher, and beat him brutally. Outsiders who endeavored to stop the assault also suffered.

Mr. Samuel Ellis, who drives Meyer's ice wagon, was thrown out of a buggy yesterday evening and received a very bad fracture of the left collar bone. Dr. Browning adjusted the fracture.

Saturday's school excursion to Cincinnati over the C. and O. was a "corker," and last of the series. There were 1,300 persons on two trains, 576 from Maysville and the balance from Vanceburg, Manchester and Ripley.

Mr. George F. Brown was re-elected Grand Secretary by the United Commercial Travelers at their Convention held at Roanoke, Va., last week. This is the third time Mr. Brown has been selected to the position, which is a compliment worthily bestowed.

The venerable Dr. A. H. Wall, 94 years old, was in the cemetery yesterday when the storm broke. He took refuge under a tree, but the downpour was so continuous and heavy that he was thoroughly drenched. With accustomed good nature he took the first streetcar for home after the storm ceased.

Bargains in Cut Glass Pitchers, Tumblers, Water Bottles, Berry Bowls, Ice Tubs, Salad Bowls, Vinegar Bottles, Salt and Pepper, Flower Vases, Bon Bon, Butter Plates, Mayonnaise Bowls, Sugar and Cream, Milk Pitchers, Individual Salt Tubs, Wine Sets at P. J. MURPHY, the Jeweler.

Mr. C. M. Browning is here on a visit to his parents, Dr. and Mrs. A. G. Browning of Limestone street. Mr. Browning has just returned from a special trip through Ohio, being an invited guest of his employers who were making a tour of their customers in a private car. This was a distinction shown few men by their house.

All Haymakers will please take notice and attend meeting this evening at 7:30 in Wilson Building. W. C. WORMALD, C. H. C. P. Rasp, C. of S.

ANNUAL DOWNPOUR

Decoration Day Storm One Day Ahead of Scheduled Time

The annual downpour, which has apparently become a fixed fact for Decoration Day in this latitude, came in at the usual hour last afternoon—but one day in advance of scheduled time; and it looks at this writing—9 a. m.—as if it had brought its "duke" and was going to remain all day.

When the clouds threatened the Cemetery was thronged with visitors, most of whom took refuge in C. P. Dieterich & Bros.' greenhouses, where they were kindly cared for.

The heavy rain was accompanied by wind and hail, which were unusually severe in the West End.

A number of pretty shadetrees were badly damaged, one especially at the home of Mr. Charles D. Pearce, where several pieces of furniture were blown off the veranda.

Among other mishaps, lightning burned out the switchboard at the Telephone Exchange, crippling part of the service.

A large tree at Newdigate's was struck by lightning, and there was considerable damage throughout the county.

J. ALLEN DODSON, Captain.

LOUIS JACOB COOK.

Louis Jacob Cook, aged 48 years, son of Mr. Henry and Mrs. Anna Cook, died at his home in West Second street between 7 and 8 o'clock Sunday morning.

He has been a cripple every since he was 3 years old. His death was the result of dropsy.

The funeral will be held at St. Patrick's Church tomorrow at 9 o'clock. Interment at Washington Cemetery.

MRS. URSULA THOMPSON.

Mrs. Ursula Thompson, whose critical illness has been noted in THE LEDGER, died at her home in East Second street Saturday night at 9 o'clock.

She had been sick for seven weeks, and her death was caused by paralysis.

Mrs. Thompson was born near Two Lick, Mason county, March 5th, 1839.

She was married December 18th, 1861, to Mr. E. J. Thompson, who is bereft of a devoted wife.

She was a daughter of Mr. and Mrs. George Styles.

Her death is mourned by two sisters and four brothers—Mrs. Almyra Hill and Mrs. Lizzie Woodworth, Charles, Jack, George and John Styles.

The funeral will take place this morning at 11 o'clock from Shannon Church, services by Rev. C. F. Evans, Pastor of the M. E. Church, South, of which she was a consistent and life long member.

Interment in Shannon Cemetery.

JAMES ALEXANDER PARKER.

James Alexander Parker, who resides with his two sisters in East Second street, died suddenly at 10 o'clock Saturday while on a visit to his sister, Mrs. A. J. Enoch, at Lewisburg.

He was standing talking to his brother-in-law when stricken, and with the words, "Oh, Lord," fell in his arms and expired. On two previous occasions he had slight attacks of paralysis.

Mr. Parker was born at Northfork in 1859, and for the past eleven years has resided in this city, respected and admired by all who knew him.

He was an exceptionally kind and considerate brother to his sisters, of whom there are five, and one brother—Mrs. A. J. Enoch, Lewisburg; Mrs. George T. Wilson, Trinity, Lewis county; Miss Linda Parker, who makes her home in Vanceburg; Misses Mattie and Scott Parker of this city, and Orlando M. Parker of Indianapolis, Ind.

He was a member of the Second M. E. Church, South, and also of Wyandotte Tribe of Redmen, under whose auspices the funeral will be conducted.

The services were held this morning at 10 o'clock in the Second M. E. Church, after which the body was laid to rest in the Olivet Cemetery.

The officers and following members of Wyandotte Tribe acted as pallbearers—F. T. Ryder, James H. Keys, J. E. Trisler, G. C. Fleming, Jesse Calvert and G. Hunsicker.

The Continental People Will Build a Plant in This City

THE LEDGER can speak this morning with an assurance of stating facts when it conveys the glad tidings to its 10,000 readers that the Continental people have concluded to erect a big plant in this city.

The papers for the ground in the East End were signed this morning, and that is the basis THE LEDGER has for stating that the transaction is a go.

WHEN PEOPLE ASK US WHY!

It is that we are always busy we can but tell them that we value our people's friendship, and make it lasting and well merited by our earnest endeavors to give absolute satisfaction at all times. Those who have traded in our house for "Decades" can best testify to the truth of this statement.

When we moved to Maysville three years ago we were told that the reason Maysville could not sell lots of drygoods and nice goods that most every lady in town did her shopping in Cincinnati. (From the stocks carried here then why we couldn't blame them.) All the merchants of Maysville used to line up on Market street every night when the 8 o'clock train arrived to see the people pass by with their arms full of packages. We knew the remedy and applied it. The best stock in Northern Kentucky is here, and Maysville trades with us; in fact, it's a rare sight to see a lady with a package from Cincinnati. The C. and O. Railroad has bowed its head in defeat. We have inside information that after June 5th there will be no more 8 o'clock train.

"The King can do no wrong," but there's no law to prevent the King from making a ass of himself.

THE Honorable Jayhawker L. BRISTOW, late of Fleming county and Kansas, was a devil of a fellow for awhile; 'twill not be long until his name will take a back seat.

You may save anywhere from \$1 to \$10 by reading and heeding the big cards now posted in the streetcars, and that much money will buy a whole lot of tobacco to be chewed elsewhere.

THE President went off on a private junket to a Massachusetts town a few days ago, and when he got back to the Capital and stepped off the train, it is not recorded that the Washington Monument tipped over. How could this have escaped the flunky correspondents?

It will be remembered that when Fourth Assistant Postmaster General BRISTOW claimed to have caught Assistant Attorney General TYNER in his dragnet for dishonest postal officials at Washington, President ROOSEVELT, with a flourish of his big tin trumpet, declared that the venerable TYNER was the ringleader in the frauds, and that he must be made an example of. And now, after an exhaustive and tedious trial of nineteen full days in the Supreme Court of Washington, the evidence throughout clearly showed that TYNER was guiltless of criminality, and he was promptly acquitted. This would seem to place the President in a rather unenviable light.

IN Washington, where mere politics plays but a small part, the unanimous and prompt acquittal of General TYNER is generally commended. The onus now rests on Fourth Bristow—and the President.

THE mails are being burdened with propositions from New York for the sale of stock in a Fly-up-the-Creek Gold Mine somewhere between Hepsidam and Heliopolis. Quite a number of these letters have reached Maysville; but if the receivers prefer to be robbed fairly and squarely, they are advised to go to the World's Fair instead.

It is said that there was some "unharmony" at the recent G. A. R. Encampment at Frankfort, the White Veterans of Louisville charging that the Negro Veterans of elsewhere controlled the meeting. Some one has probably profited by the example set by Louisville three years ago, when the White Veterans of that city conveyed a carload of that city's Negro Veterans to Covington and ran the Encampment to suit themselves. It's a long dog that has no tail.

WHAT a pity that General JAMES N. TYNER, who has devoted the best years of his life and his best talents to honorable service to the Government, and who was removed from the Postoffice Department and charged with the highest crimes by Jayhawker BRISTOW and the President, now that he has been unanimously and honorably acquitted after a most searching trial lasting nineteen days—what a shame that this wronged man has no redress for the injustice done him.

MEMORIAL EXERCISES

Yesterday's Sermon, and Today's Program For Decoration

The annual Memorial Sermon to the Grand Army was preached yesterday forenoon by the Rev. M. A. Banker, at the Third Street M. E. Church.

The Rev. Banker is the son of a Veteran, and his sermon was one of the best and most appropriate yet heard in this city.

The Church was tastefully decorated, the National colors in evidence, and the entire service was in keeping with the patriotic occasion.

Owing to the extreme scarcity of flowers, by reason of the backward springtime, and there being more than a hundred graves to decorate, it has been decided to use the National Flag only in marking the graves this year.

However, what flowers can be obtained will be used for decorations about the Monument; and of these two large baskets were this morning contributed by Miss Edna Lytle, the patriotic daughter of Comrade John V. Lytle of the West End.

The G. A. R., the P. O. S. of A., and Company L, K. S. G., members will assemble at Grand Army Hall at 1 o'clock this afternoon and march to the Cemetery, led by martial music.

Following the ceremonials at the Soldiers Monument, and to avoid the possibility of being interrupted by rain, as has been the case on several occasions, the Memorial Address will be delivered at Soddin M. E. Church, Forest avenue, Dr. P. J. Cline of Portsmouth being the speaker.

The public is cordially invited and urged to attend these exercises, thus showing respect for the dead.

Gage 17.9 and falling.

The Coney Island was launched Friday at Cincinnati.

The Joseph Henry has been rebuilt and had her name changed to Louisiana.

The Alice Brown, James Moren and Boaz left Louisville with big tows for the South.

The Virginia will be down tonight, returning tomorrow night on her regular Pittsburgh trip.

The Henry DeBus delivered her tow of twenty pieces at Cincinnati and returned to Kanawha with empties.

The towboat Gleaner, owned by the Jutte Coal Company, is laid up at Marietta. She will be provided with new machinery.

The snagboat E. A. Woodruff, under command of Captain Christian, is now at Pomeroy, clearing the channel of the Ohio from that point down.

The steamer Hudson will be used as a wharfboat by the Coney Island boats until the wharfboat which is now on the Ways can be put into service.

The Hidalgo, a one funnel steel hull stern wheel steamer, built in Pittsburgh by Rees & Son, passed here yesterday on her way to South America.

In 1859 the steamer Era No. 3, a 1,000-bale boat, made a trip from New Orleans to upper Red river, was gone three weeks and cleared \$8,000 on the trip.

Two old-time steamboats on the Ohio were the Simon Kenton and the Daniel Boone. They were succeeded in the Cincinnati and Maysville trade by the Kenton and Boone.

Coal craft is scarce in the Pittsburgh harbor, and operators have been in a state of uncertainty for the last few days as to the possibility of sending more black diamonds South.

The Boaz, Jim Moren, Josh Cook, Tom Rees, Fred Wilson and Valiant delivered their tows of coal at Louisville and all went back to Pittsburgh except the Jim Moren, which goes South with a tow.

The combine people are beginning to think that a passenger or guest making a trip on one of their towboats proves to be a "Jonah." There was one on the Spague when she sunk her entire tow at Plum Point and one on the Fred Wilson when she blew up. There are several similar cases, in which towboats had had luck that had a man or woman on board as a passenger.

A Combination Sale!

Combination sales have been very successful in other cities.

The plan is this:

Let a number of property owners agree to accept a reasonable price for certain pieces of real estate to the number of about 20. I will advertise the day of sale and furnish carriages to convey the prospective buyers from one point to another. These conveyances would be free to all who are sufficiently interested to attend. An Auctioneer would be on hand to cry the sales.

Do you want to have your property listed in this way?

At a recent sale in a Kentucky town out of \$20,000 worth of property offered \$16,000 worth was sold.

If you want to sell you should see me at once about this plan.

Persons who have property listed with me for sale in the ordinary way can arrange to try this method.

A CONTINUAL STRAIN.

Many men and women are constantly subjected to what they commonly term "a continual strain" because of some financial or family trouble. It wears and distresses them both mentally and physically, affecting their nerves badly and bringing on liver and kidney ailments, with the attendant evils of constipation, loss of appetite, sleeplessness, low vitality and despondency. They cannot, as a rule, get rid of this "continual strain," but they can remedy its health-destroying effects by taking frequent doses of Green's August Flower. It tones up the liver, stimulates the kidneys, insures healthy bodily functions, gives vim and spirit to one's whole being, and eventually dispels the physical or mental distress caused by that "continual strain." Trial bottle of August Flower, 25c; regular size, 75c. Sold by Henry W. Ray, Post-office Drugist.

Reinert, John Donald and Attorney Charles Linn of Ripley, chartered the steamer T. J. Donald yesterday for the special purpose of visiting their friends, Captain J. C. Lovel, Major H. and Councilman Robert Ficklin. Of course the gentlemen from Ohio were properly cared for. The menu was Old Time Bourbon, Maysville Club, Rye, with Big Bone Water as a side dish. JONES—DAULTON.

Was it to gratify a romantic notion, or the mere novelty attending such affairs that possessed these two popular young people to take snap judgment on their friends and tie themselves to Cincinnati Saturday and get married?

Mr. William H. Jones and Miss Katherine Blanchard Daulton have been sweethearts for several years, and that the most eventful and happy day of their life had been set, not one of their many friends for a moment doubted. The denouement, however, was somewhat of a surprise.

They were married Saturday afternoon in the Parsonage of the Ninth Street Christian Church by the Pastor, Rev. A. M. Harveout, Mr. Eugene Daulton, brother of bride, and Miss Annie Grosse being attendants.

The bride is the oldest daughter of City Clerk J. L. Daulton, and is a most charming and lovable young lady, who will make the man of her choice a worthy helpmate.

The fortunate groom is one of Maysville's most exemplary and worthy young men. He has provided a pretty little home in East Second, 507, in which to take his young bride.

THE LEDGER, with the many friends, extend congratulations and best wishes for a long and happy wedded life.

M'KINLEY—ADAMS.

Mr. J. J. McKinley, 42 years old, of Vanceburg, and Miss Mattie Adams, who has seen 31 summers, of this city, were married Saturday afternoon in Newport by Squire Hutchison.

Mr. W. L. Nicholson of 14 Court street, employed by Russell & Sons, grocers, says: "The use of Doan's Kidney Pills by anyone who does much riding will help an aching back so quickly he will wonder greatly at the prompt and effective removal of the trouble. I prepared Doan's Kidney Pills at J. Jas. The Kidneys Are

Weakened by Over-Work.

Unhealthy Kidneys Make Impure Blood. It used to be considered that only urinary and bladder troubles were to be traced to the kidneys, but now modern science proves that nearly all diseases have their beginning in the disorder of these most important organs.

The kidneys filter and purify the blood—that is their work. Therefore, when your kidneys are weak or out of order, you can understand how quickly your entire body is affected and how every organ seems to fail to do its duty.

If you are sick or "feel badly," begin taking the great kidney remedy, Dr. Kilmer's Swamp-Root, because as soon as your kidneys are well they will help all the other organs to health. A trial will convince anyone.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy, is soon realized. It stands the highest for its wonderful cures of the most distressing cases, and is sold on its merits by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle by mail free, also a pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing to Dr. Kilmer & Co., Binghamton, N. Y. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.

A RELIABLE MEDICINE

A Reporter of The Public Ledger Interviews our Local Druggist, Mr. J. C. Pecor.

The Interview of Interest to Every Person in Maysville.

So many patent medicines and advertised cures are now offered to the public that our readers should be glad to know the opinion of a man who has spent years in handling them, and profit by his advice.

Said Mr. Pecor: "After having sold drugs and all kinds and makes of medicines for so many years, naturally we have learned something about them, their value, and power to cure."

"There is no one medicine that will cure everything, but this I do know, that if the people of Maysville only realized the wonderful curative and strength-creating power of Vinol, I would not have clerks enough in my store to put up the orders for it."

Continued Mr. Pecor: "You see Vinol is not a patent medicine, and it actually does contain every one of the fifty odd medicinal curatives taken from fresh cods' livers, with other vitalizing ingredients. It contains no poisonous drugs or nauseating oil, and you know just what you are taking. Vinol has wonderful life-giving properties; it tones up and invigorates every organ of the body to do its work, and we know it will make rich, red blood, build up the depleted system and create strength."

"When I tell you that we have never sold in our store such a valuable remedy as Vinol for the following ailments, and that if it fails to accomplish what we say it will, we will refund your money, it will show our faith in its wonderful curative and vitalizing powers."

"It will build up run-down, tired, debilitated people. It will make the weak and sickly strong and well. It will make flesh for thin people. It will increase the appetite. It will cure nervousness, irritability and sleeplessness. It will cure stomach troubles, dyspepsia and indigestion. It will make rich, red blood. It will make weak, puny, ailing children strong and robust. It is the greatest strengthener and body builder in the world for old people. It is a boon to nursing mothers. It will positively cure chronic coughs and colds. It cures bronchitis. It makes weak lungs strong and is of untold value in consumption and all wasting diseases. For the convalescent it has no equal as a strength maker."

"I cannot make a stronger statement and can only ask such people in Maysville to try Vinol on my guarantee." J. C. PECOR, Druggist.
